## Suggesting a Purchase for the Collection

Air University faculty, staff, and students may make suggestions for purchasing material for the Fairchild Information Center, whether it be books, audio books, DVDs, CDs, journals, or even databases. The library staff is constantly searching through publisher's catalogs and review journals for appropriate material, but we en-

courage suggestions from those who make use of the collection. **Here** is link to the request form on MSFRIC's web site. Thank you!
